

Setting up Application environment

Create IBM cloud account

Team ID	PNT2022TMID45809
Date	19 October 2022
Project Name	Plasma Donor Application
Maximum Marks	4 Marks

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Jeyanth Rajesh's Acco...). Below the navigation bar, the main dashboard area is titled 'Dashboard' and includes a 'Create resource' button. The dashboard is divided into several sections:

- For you:** A row of six cards offering quick starts for different services:
 - Build:** Explore IBM Cloud with this selection of easy starter tutorials and services. (Getting started, 5 min)
 - Monitor your resources:** Get visibility into the performance and health of your resources. (Getting started, 5 min)
 - Explore tutorials:** Try out a variety of tutorials to get you started with IBM Cloud or help you with more complex scenarios. (Getting started, 10 min)
 - Create and deploy an application:** Browse our starter kits, and then select one to jump start the process to create and deploy your app. (Getting started, 5 min)
 - IBM Watson Knowledge Catalog:** Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform. (Recommended, 2 min)
 - Use Telemetry:** Convert natural variety voices. (Popular)
- User access:** A section for managing users, with a 'Manage users' link and a text input field for email addresses.
- News:** A section for the latest news, including 'IBM Positioned as a Leader in Gartner® Magic Quadrant™' and 'IBM Cloud Pay as You Go with Committed Use Now Available for Both Direct and Business Partner Sales'. It includes a 'View all' link.
- Planned maintenance:** A section for viewing scheduled maintenance events, with a 'View all' link.
- IBM Cloud status:** A section showing the global status of IBM Cloud services, with a 'View all' link and a 'No issues' indicator.
- Recent support cases:** A section for viewing recent support cases, with a 'View all' link and a 'Learn more about how to get support' link.
- Usage:** A section for viewing resource usage, with a 'View usage' link.
